

USE MOODLE

LEARNING.SAGECOUNSELING.NET

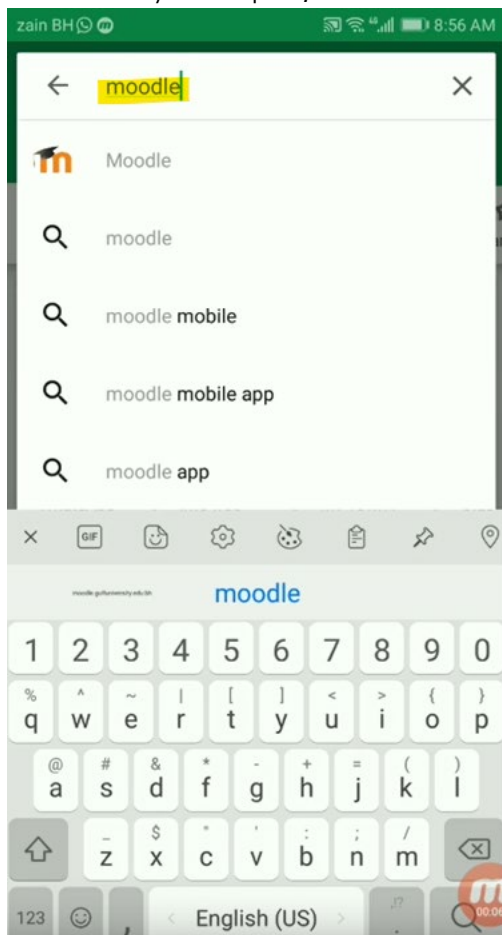

Course material can be accessed and reviewed, and coursework can be submitted utilizing the cell phone application available from Moodle. This application can be downloaded from the Google Play Store (Android) or the App Store (iOS).

DOWNLOAD FOR ANDROID

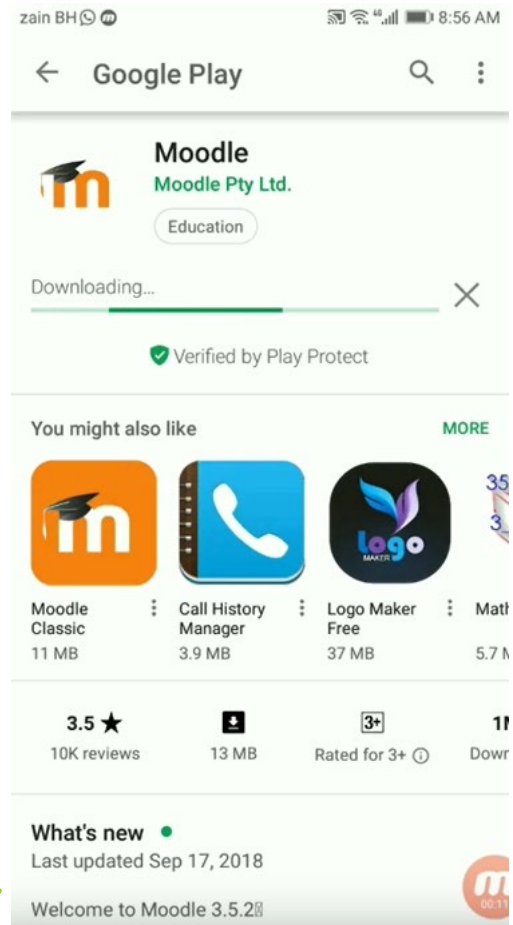

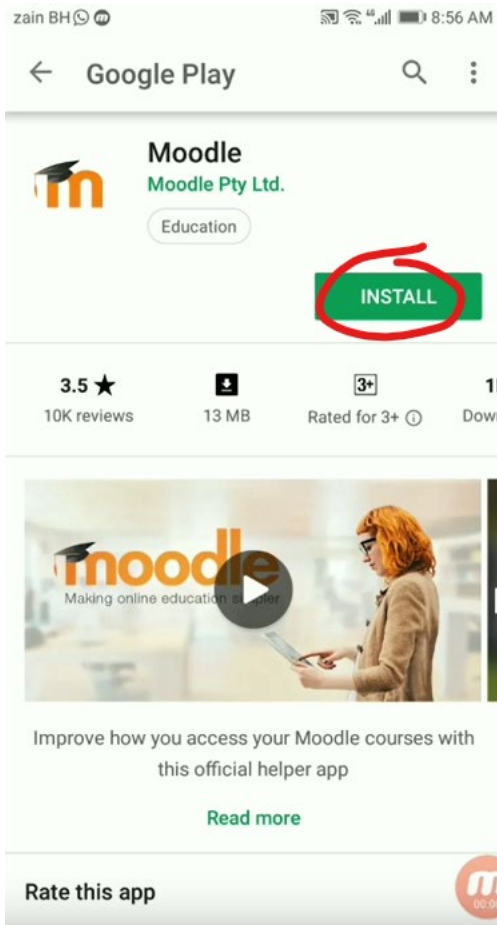

1. Open the **Google Play Store** app

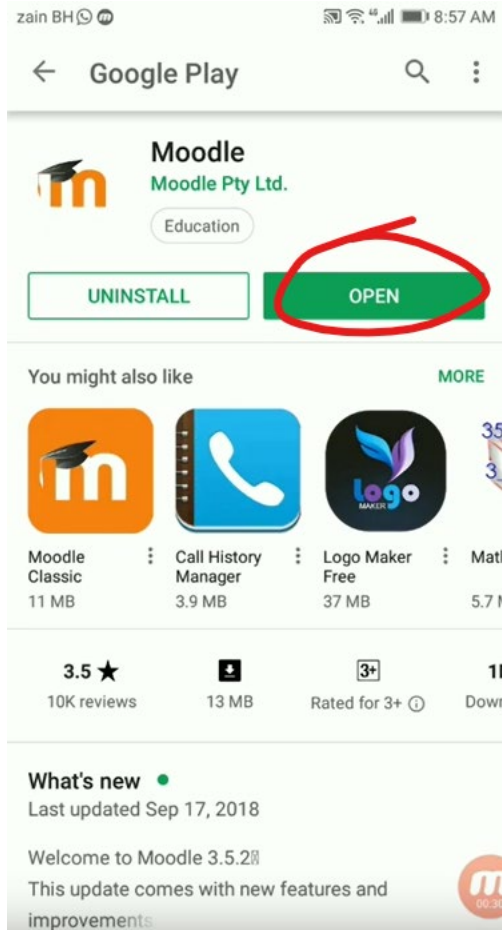

2. When the Play Store opens, use the search bar to look for **Moodle**. Search.

3. Click on the **Install** button.

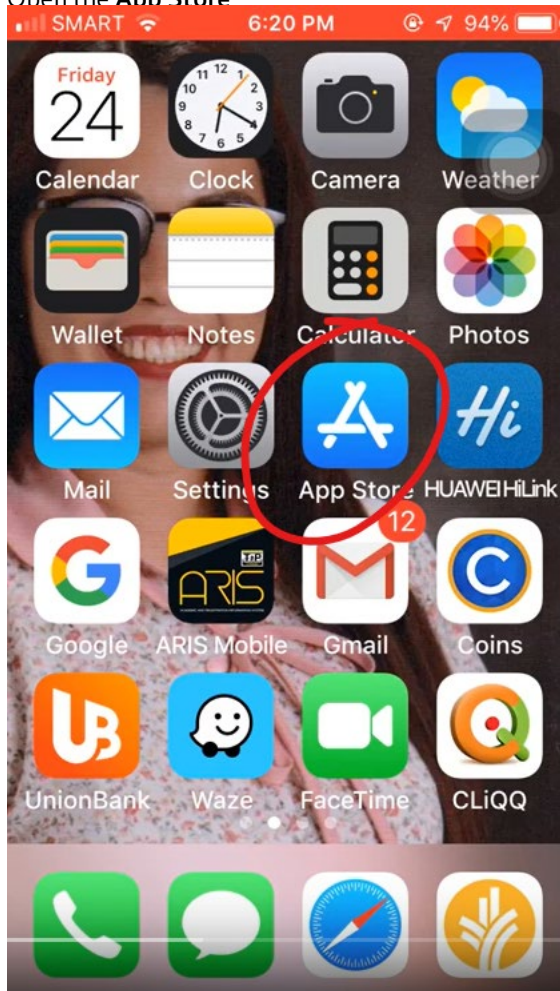

4. Open the Moodle app—from the Play Store, or from your app tray

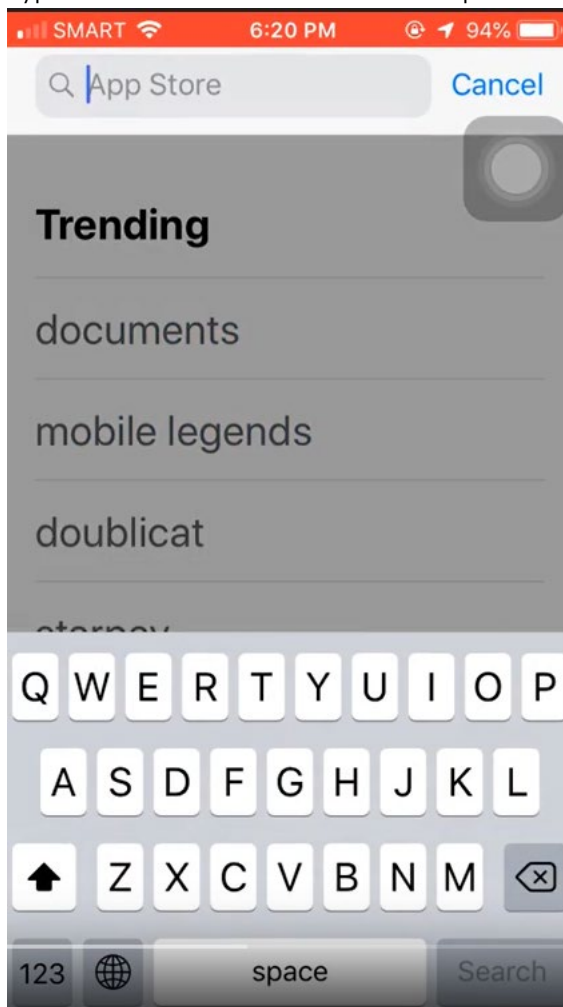

DOWNLOAD FOR IOS (IPHONE/IPAD)

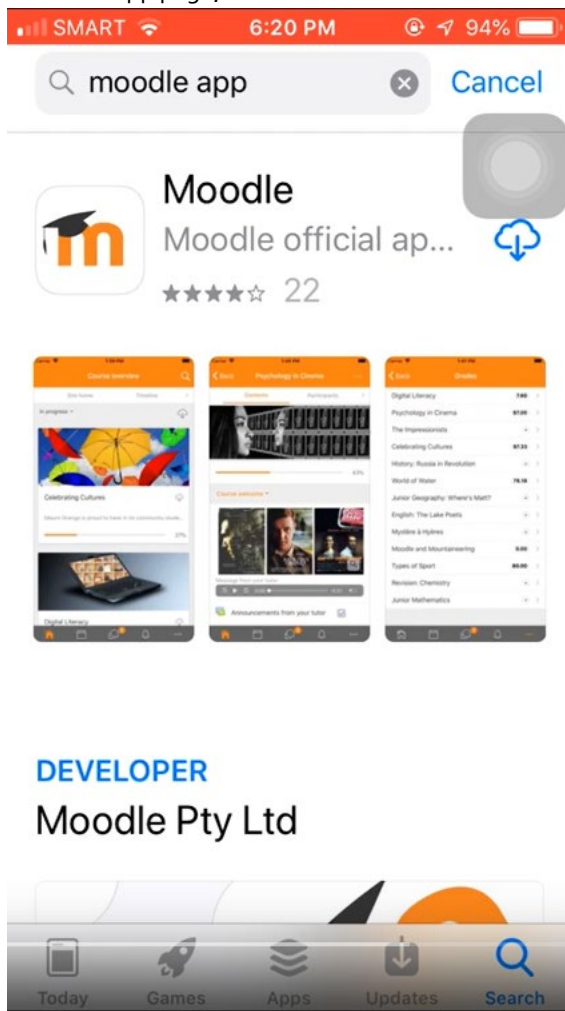

1. Open the App Store

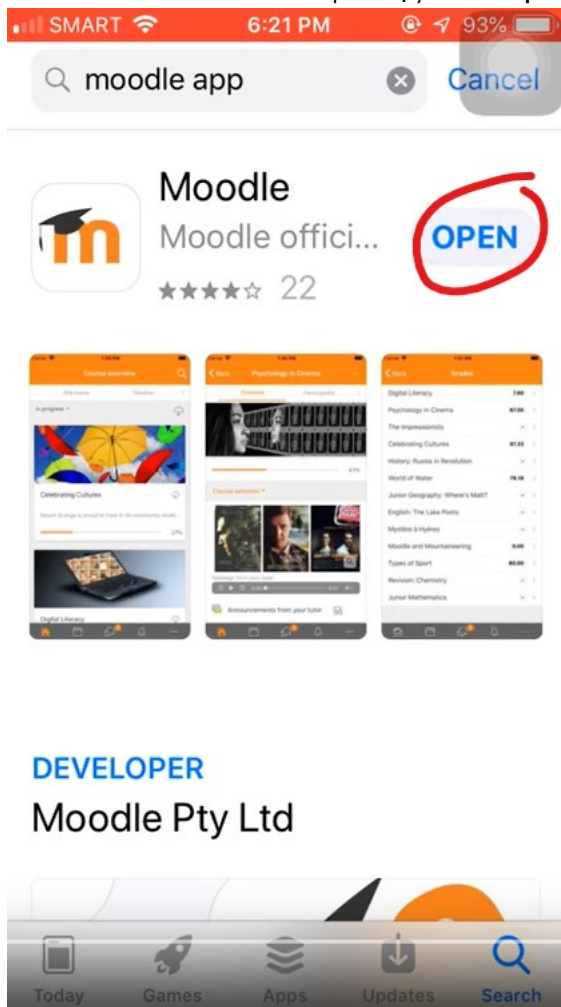

2. Type **Moodle** into the search bar at the top of the application

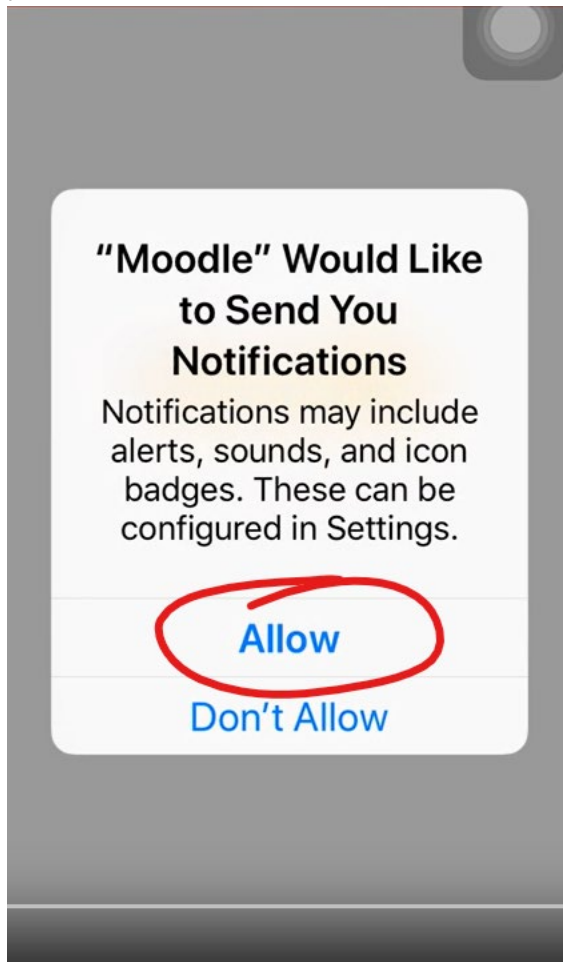

- From the app page, click on the **Install** button at the top

4. Once the installation has completed, you can **Open** from the App Store or from your home screen

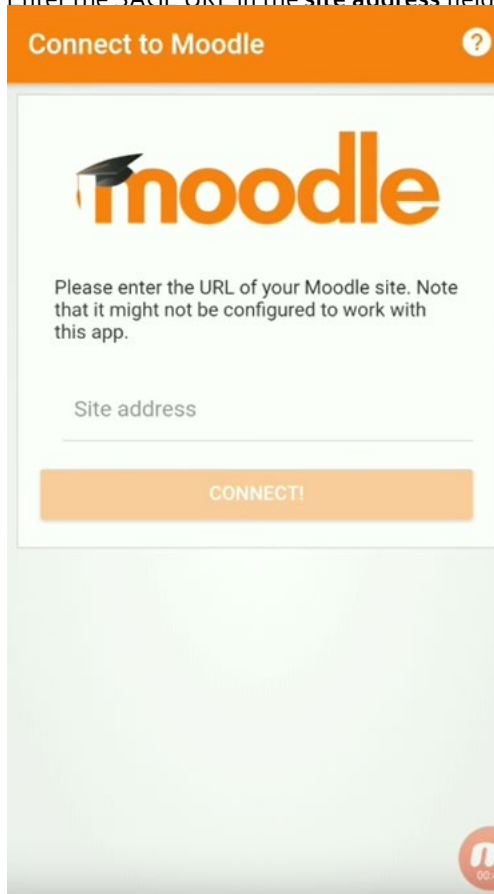

5. When prompted regarding notifications, select your preference. If allowed, messages sent regarding your courses will be sent.

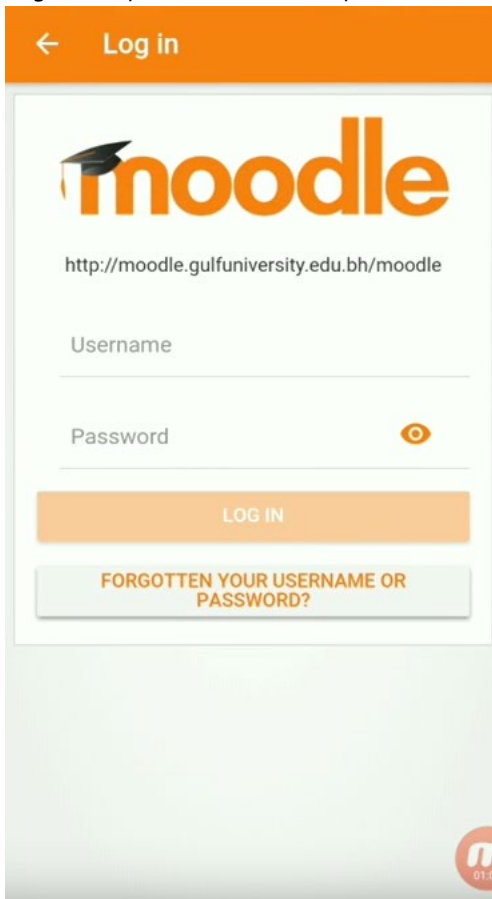

LOGIN

1. Enter the SAGE URI in the **site address** field: <https://learning.sagecounseling.net>

2. Login with your username and password. If needed, use the **Forgot your username or password?** link.

The screenshot shows a mobile application interface for Moodle login. At the top, there is an orange header with a back arrow and the text "Log in". Below the header is the Moodle logo, which consists of a graduation cap icon and the word "moodle" in orange. Underneath the logo is the URL "http://moodle.gulfuniversity.edu.bh/moodle". There are two input fields: "Username" and "Password". The "Password" field has a small orange eye icon to its right. Below the input fields is an orange "LOG IN" button. At the bottom of the form area is a button with the text "FORGOTTEN YOUR USERNAME OR PASSWORD?". In the bottom right corner of the screen, there is a small red circular logo with a white "m" and the number "01.0" below it.
